Level 3 Marlborough School Games

Welcome back!

The last couple of terms have been very busy. The highlight was of course the Chippenham and Para Games which is now in its eighth year. To see so many children taking part in such a variety of activities is fantastic and memorable for all involved. During the last two terms it has been great to see so many competitive events taking place and to see different schools succeed in getting through to the Level 3 School Games event. We've enjoyed our trips to Bath University for the All Active Academy and Talent Team visit as well as for Quad Kids and hope that all those who took part enjoyed the events. We'd like to take this opportunity to congratulate all the schools who have been awarded a Bronze, Silver or Gold School Games Mark Award and thank Paul Wickens for his support. We'd also like to thank all those who have supported us during the year – the fantastic PLTs, all the Sport Ambassadors, Stanley Park Sports Ground and all the coaches who have given up their time during the year – Geoff, Terry, Dave, Dax, Naomi, Ken, Valerie, Ali, Terry and Roz. We look forward to working with you all again during the year ahead.

Selina, Jessica and Helen

Coming up this term...

PLT Meeting, Cross Country at Biddestone, Mid Wilts PE & Young Ambassador Conference, Young Officials Course, 1.5 Netball festival, Multi skills festivals, Boccia at Devizes, Panathlon at Marlborough, Footie For Fun (Yr2 & girls), NAK, 1.5 football festival, SG Level 2 Football, Football Inter at Stanley Park, Hand/eye coordination Festival (Rec), Christmas Cross-country, Santa's Elf Dash at Dilton Marsh.

A reminder and plea from us at the start of the year...

Events are arranged based on the timings of the host site and registration times are stated as an **earliest** time to arrive. This is so we can ensure lessons on the secondary school site have finished, events can be set up and we are ready to run a fantastic event. Unfortunately, we cannot be responsible for any children dropped off earlier than the registration time, just as we cannot accommodate staff and children who arrive early for an event simply because the facilities are often in use. Please ensure when arranging transport that parents/carers and bus companies do not arrive early. Likewise, once an event has finished, the facilities are often in use straight after and as a result we cannot accommodate schools to stay on for snacks/lunch, unless this has been arranged and agreed beforehand. We hope you can understand the situation and can work with us to ensure events continue to run in the best interests of all involved. Many thanks for your continued support.

PLT Meeting

On Friday 26th April, PLTs were welcomed to Sheldon School for the last PLT meeting of the year. The meeting was a busy one with a number of visiting speakers.

Ben Merry from the FA outlined his role within the FA and offered to run a CPD for teachers to help support and increase the

number of opportunities for girls to play football.

Diane Prior from Xpression Street Dance outlined what her dance company can offer schools and has kindly offered to run our staff dance CPD in September in preparation for the Dance Festival.

Ben Elliott from Chippenham Tennis Club outlined a new coaching programme that provides coaching for all, from tots tennis to team training. The club also offers the LTA Tennis for Kids initiative for young players age 6-11 who have never played tennis before. For £25 they receive a racket, tennis balls, a t-shirt and 6 high quality, fun, one-hour coaching sessions. For a free school taster session schools can contact Ben direct (please see coach contacts at the end of this newsletter).

Representatives from the Mini Marathon also spoke about how schools could get involved. The Schools Half Marathon is a fun and interactive initiative designed by UK Run Events to introduce exercise into the daily routine of primary school age children by working in conjunction with teachers, parents, schools and local authorities. Schools can get in touch if they would like more information.

It was good to welcome back Paul Wickens, School Games Organiser, who ran through upcoming events.

Our next speaker Rachel Bown, SEN - Inclusion Lead for Wiltshire, outlined her role and offered to come in to schools to work with specific children with SEN. She can also come in and offer CPD tailored to the needs of the school. She reminded staff that they can go to the Youth Sport Trust website to access many resources with the password - YSTINCLUSION48. Finally, Rachel talked through her experience as a European tri-athlete who was diagnosed with a brain tumour and has offered to visit schools to lead a motivational talk about her life and experiences during an assembly/awards evening etc. Please get in touch if you would like any more information.

Our final guest speaker was Rik Grover who reminded us about the looming deadline for reporting on the Sport Premium spend and included important information about Guidance on use relating to key indicators and Measuring the impact of the PE and Sport Premium.

We would like to thank all those who attended or spoke at the PLT meeting.

All Active Academy

The final All Active Academy session was held on Friday 3rd May at Abbeyfield School. The All Active Academy is specifically designed to support pupils who lack confidence in PE and sport and may be reluctant to join in at times. Pupils are invited to attend two sessions, which involve a number of workshops. Pupils have the opportunity to take part in new activities and meet other children from different schools. The activities during this session included squash, golf and ball handling skills.

During the golf session, the children learnt how to improve their coordination by practising putting skills and working in pairs to try and complete a number of different challenges. The session was led by Nick Horrocks from Chippenham

Golf Club.

During the squash session, the children learnt a variety of different skills and worked towards keeping a rally going in pairs. The children were quick to master the skills and it was great to see a bit of competitiveness to see who could achieve the longest rally!

The final workshop was focused on ball handling skills, hand/eye coordination and invasion games. Children worked in pairs to link catching skills with agility and moving off the spot quickly. It was great to see the teams working well together and encouraging one another throughout the session. Many thanks to all the fantastic Sport Ambassadors who supported this event to make sure that all those taking part had a good time. We look forward to seeing some of them again for the trip to Bath University later in the year.

Multi-skills Festivals

There was one multi skills festival this term which took place at the Chippenham Dome. These events enable children to experience an offsite event and work alongside children from other schools. They are introduced to a range of activities which develop agility, balance or coordination which form the fundamentals of physical activity. It also enables the Sport Ambassadors from the local secondary schools to put their leadership skills in to practice. As well as

running the activity stations, many of the Ambassadors also design the activities and rotations as part of their training. Without their support, these events would not be possible. Many thanks to all the schools who have supported these events so far this year. We hope you have enjoyed them.

May Mile 2019

On Sunday 12th May, hundreds of families poured into the grounds of Sheldon School to celebrate the 10th Year of the May Mile. The event is organised by Zoe Rucker and her team. They have inspired thousands of young runners and raised huge amounts of money for charity over the years. The event is the only one of its kind in the country. It is a fully marshalled one-mile event for all children up to the age of 16. The event is supported by Sport Ambassadors who help to warm up the crowds and act as marshals.

Kwik Cricket Festival

of cricket was high, with all the teams working hard when batting and fielding.

On Friday 17th May, the Level 2 Kwik Cricket Festival took place at Chippenham Cricket Club. Despite the slightly colder temperature, we had a fantastic tournament with fifteen schools taking part. The pitches were in fine form and we'd like to thank Chippenham Cricket Club for hosting the event again this year. As ever the standard

Runners Up St Peter's

Winners By Brooke Valley

runners up and to By Brooke Valley who finished as winners. We wish them all the best for the Level 3 School Games.

Players had to rotate through all the fielding positions this year. This makes sure that all players get to have a go in the key fielding positions. Many thanks to Ali Goddard and his team at Wiltshire Cricket for organising this event and to all the Sports Ambassadors who used their own experience and knowledge of the game to umpire effectively. Well done to all the teams that took part but particularly St Peter's School who were this year's

Chippenham Games

The Big Dance

It was an absolute pleasure to host the eighth Chippenham Games. This event has been running since the 2012 Olympic and Paralympic Games and has become one of the largest local sporting events of the year. It takes place at Stanley Park Sports Ground and involves all Year 6 children from local primary schools. These children come together to take part in a huge range of activities and meet others who may be starting the same secondary school as them in September. The children are given two main targets – to have fun and make new friends!

The event is sponsored by Chippenham Town Council, Wiltshire Council and Up and Under Sports and we would like to thank them all once again for making this event possible. Our thanks to Sandie Webb, Leader of Chippenham Town Council for officially opening the Games on Tuesday and to Don Deedigan for officially Opening the Games on Wednesday.

Secondary Heads leading the welcome

The event is also an opportunity for the secondary Head Teachers to greet the children and to formally welcome them to the Games. We would like to thank them for taking the time to visit the Games and to speak to all those involved. Their story of the inspirational 10-year-old Sky Brown who hopes to compete in not one but two sports for the 2020 Olympics certainly amazed the crowds. They also encouraged the children to be brave, show resilience but most importantly to meet new friends and enjoy the event.

The Chippenham Games would not be the same without the Olympic procession and we were lucky enough this year to have Bernie Moss, former Olympic and National Pentathlon Coach leading it. It was fantastic to see so many children all wearing their Chippenham Games t-shirts parading around the ground to the sound of motivational music. The children would later be running around the same track during the mini marathon.

Bernie Moss leading the procession

Supporting the teams and the coaches on both days were the brilliant Sport

Ambassadors from the three secondary schools. They did a fantastic job keeping the children busy and encouraging them all to keep going. We couldn't do

without them particularly when it comes to setting up and packing up! A huge thank you to each and every one of them.

Bernie Moss, Olympic Pentathlon Coach

Some of the Sport Ambassadors

Up and Under Sports running Tchoukball

The children had ten activities to try this year, so they were certainly kept busy. We'd like to thank all of the coaches who supported the event – Naomi Battley for leading the Big Dance, Pete Hickerton from PH Sports for leading the indo-boarding, the coaches from In2Sport for leading the Lacrosse, Don Deedigan for running the fitness course and martial arts, Claire Edwards from Just Breathe Yoga for running the yoga, Geraint Lewis from Up and Under Sports for leading the Tchoukball, Bradley Rossiter from Chippenham Golf Club for running the tri-golf, Highline Adventures for supplying the very popular bouldering wall, Pentathlon UK and France for running the Pentathlon laser shooting, City Dressing for providing the banners, flags and bunting and finally Tom Arthur, film maker who spent both days filming all the best bits and then producing a memorable film for us all to enjoy.

We are already looking forward to next year and meeting the next group of children who can enjoy this wonderful event.

Highline Adventure Bouldering Wall

Claire Edwards from Just Breathe Yoga

Pete Hickerton from PH Sports

Level 2 Orienteering

The Level 2 School Games Orienteering Festival took place on Monday 3rd June. Three schools took part this year. Ken Stimson and Valerie who have been supporting the event for years set up the courses and made sure there were additional challenges for the children to take part in. Congratulations to the children from Monkton Park who won and therefore got to compete in the Level 3 School Games Competition in Marlborough later in the term.

Bath University Trip for All Active Academy and Talent Team

On Monday 10th June, children from the Talent Team and All Active Academy spent the day at Bath University visiting the facilities, listening to motivational speakers and taking part in a range of activities including beach volleyball, trampolining, team building and hand/eye coordination. This year's speakers included the Head Coach of the Water Polo Team and 2020 Tokyo athlete and synchronised swimmer Ilaria Brandimarte.

The feedback from the day was fantastic and it was great to see so much enthusiasm.

Level 2 Quad Kids at Bath University

On Monday 24th June six of our schools made the trip to Bath University to take part in the Level 2 Quad Kids competition. Children competed in a range of disciplines including a 75m sprint, a 600m run, a throw and a jump. It was fantastic to see so much determination and resilience coming from all those who took part.

Summer Young officials

We had a fantastic turn out for the Summer Young Officials this year. All the children who took part worked really hard to get through the course and were great fun to work with. Many thanks to Mrs Pearce who ran the Quad Kids athletics and to Dave Hoey from Chippenham Golf Club for running the short-golf. All those who took part in the Short Golf training were able to put their skills into full use during the afternoon when schools arrived to take part in the Short Golf Festival. Well done to all those who took part.

Short Golf Festival

It was great to welcome six teams to the Short Golf Festival. The festival was buzzing as teams completed a range of different stations. The newly qualified Short Golf officials looked after each station with the help of Sport Ambassadors to score. Well done to all the teams that took part in the festival and congratulations to Frogwell 1 who came away as winners, Queens Crescent who came second and Frogwell team 2 who came 3rd. Many thanks to Dave Hoey from Chippenham Golf Club for all his support with this event.

Para Games 2019

On Monday 8th July, the 8th Para Games took place. The event involved all pupils from St Nicholas Special School and pupils from Frogwell School. The pupils took part in a procession before listening to the Mayor of Chippenham, Desna Allen, welcome and officially Open the Games. The pupils rotated around five events including the relay, javelin throw, New Age Kurling, Boccia and basketball.

The event was supported by Sports Ambassadors and we would like to thank all of them for their hard work and enthusiasm during the event. Special thanks to all the staff who supported the event and to all the parents for their support.

Level 3 School Games, Marlborough

Congratulations to all the schools who made it through to the Level School Games which took place at Marlborough College on Wednesday 10th July. It is always a great event with so many sports taking place and so many young people involved either taking part in a team or supporting as a Sport Ambassador.

Dance Festival 2020

The Chippenham Sports Partnership Dance Festival will take place 3rd and 4th February 2020 @ The Neeld, Chippenham

The theme is 'The Olympics'.

- CPD Dance Friday 20th September - Xpression StreetDance – after PLT
- Monday 7th October 2019
 - All schools wishing to take part will need to read, sign and return the updated booking form, fully completed. Date of performance will be allocated from this information.
- Wednesday 16th October
 - Dance Date allocation and ticket allocation
- Friday 6th December
 - All music to be emailed in MP3/4 format
- Monday 6th January 2020.
 - Tickets will go on sale at 08:00 at Abbeyfield School

wiltshire and swindon sport

Confirmation that the Primary PE and Sport Premium will continue for 2019-2020

On 30th April 2019, afPE received confirmation from the Department for Education (DfE) that the Primary PE and Sport Premium will continue, at the doubled rate of £320 million for 2019-2020.

afPE's CEO, **Sue Wilkinson MBE** said:

"afPE is delighted that the DfE has confirmed the future investment for Primary PE and Sport. Whilst we were hopeful that current funding levels would be maintained, it is hugely gratifying to have this confirmed. Head teachers and Governors can now plan for how they will effectively use the grant to make additional and sustainable improvements to the quality of Physical Education and Sport."

"We now have substantial evidence that clearly demonstrates that investing in the school workforce is one of the most effective ways of ensuring all children and young people increase their confidence, competence and academic achievement."

"Physical Education, School Sport and Physical Activity are tools that make a significant contribution to whole school improvement. In addition, we know that the difference this funding has made to the physical and emotional well-being of children and young people is having an impact. This journey has taught us a lot about the destination that we are aiming for. There is no doubt that we must work together to achieve an efficient roadmap that will secure the appropriate outcomes for all pupils."

"We must leave a legacy from this investment that ensures health and well-being of the nation's young people, are a priority as well as improving such values as character and resilience, and secures Physical Education at the heart of school life!"

afPE's Chair, **Michael Crichton** said:

"As Chair of the single Subject Association for PE in the UK; The Association for Physical Education (afPE) and with over 40 years of experience in the education sector, I know how valuable to primary schools the Primary PE and Sport Premium has been since its introduction in 2013."

"There has been much upskilling of the workforce hence higher quality and diverse experiences for pupils in PE lessons and enrichment programmes. Pupils have been offered a wider and inclusive range of activities and sports to engage and excite them, thus increasing participation and improving self-esteem, confidence and well-being. Increasing numbers of pupils have been given the opportunity to compete whether it be internally within the school or outside in inter school competitions. Many schools have introduced new activities that have appealed to those who don't necessarily take part enthusiastically in the more 'traditional' activities and pursuits. These are just some examples and I know there are many, many more."

"This additional grant for schools; ring-fenced for the purpose of improving and sustaining PE, sport and physical activity provision for all primary aged pupils in England has already made a lasting impact on many pupils due to schools using the grant effectively and for its intended purpose."

"afPE is delighted that the Government has chosen to maintain the Primary PE and Sport Premium for the next academic year 2019-20; as originally intended, which will result in many more pupils experiencing high quality PE, school sport and physical activity (PESSPA), a lasting legacy, and an increasing amount of schools ensuring that PESSPA is at the heart of school life."

"I do hope that school leaders will recognise and continue to recognise the importance of the Primary PE and Sport Premium. Thus, ensuring that every pupil benefits from this funding which will undoubtedly bring about lasting change, develop healthier, happier and confident individuals and embed a deep understanding of the importance of a healthy and active lifestyle."

Measuring the impact of the PE and Sport Premium

Here are some ideas for ways that you can measure the impact that your schools' use of the Sports Premium is having upon pupils' learning, wellbeing and participation levels.

Data collection:

- Participation in School Games events – number of events, placings, which pupils have taken part
- Numbers of pupils attending extra-curricular clubs on a weekly basis
- List of clubs each pupil is attending - track new participants and pupils not attending any clubs
- Track which pupils have taken part in events to try to give as many children as possible the opportunity

Staff Surveys:

- Observations of the impact of PE/sport participation on pupils' skill development, classroom behaviour, academic attainment, personal character
- Consult with staff about new initiatives or schemes of work they would like to introduce
- Knowledge/confidence in teaching certain aspects of PE to assess CPD needs

Pupil Surveys:

- How being active makes them feel or has an effect on their concentration in the classroom
- Before and after a new element is added to the curriculum i.e. Outdoor & Adventurous Activities, what is their confidence rating / enjoyment / understanding of the activity?
- Attitudes/opinions of PE in general or in response to a change in curriculum / teaching style
- Survey pupils who have transitioned to local secondary schools to assess how their experience of PE & Sport at primary school has had an impact upon their participation in Year 7/8

Observation / Assessment:

- PE assessment in each sport, particularly if using coaches or a new initiative or curriculum content
- Performance measurement in other subjects to measure impact of PE upon learning
- Pupil progress reports – including for SEND pupils to measure Inclusive element of PE
- Lesson observation by experienced PE professional

For further information or support, email: rik@wiltssport.org

Key Indicator 1: Engagement of all pupils in regular physical activity – at least 30 minutes a day in school

- Breakfast clubs – activity and healthy food
- Active mile
- Wake and Shake
- Encourage and promote 'Active Travel' with incentives
- In-classroom activities and short 'brain boosters' (Active Maths etc)
- Integrate Outdoor and Adventurous Activities with challenges linked to history, geography etc.

Key Indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement

- Link school activity days to international sports events or develop themed projects
- Display photos and trophies etc in the school.
- Have dedicated noticeboards in schools with reports and stories on sporting events and activities
- Have elite athletes visit the school as role models for assemblies and delivering activities.
- Network with children's families to find high level athletes to assist

Key Indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and Sport

(Suggestions listed below should be based on a school staff CPD audit)

- Whole school 'inset' training on priority areas i.e. Inclusive dance, gymnastics and PE
- Relevant staff to attend sport-specific and PE specialist training
- Employ PE specialist teacher
- Train up T'A's to run extra-curricular clubs

Key Indicator 4: Broader experience of a range of sports and activities offered to all pupils

- Introduce new sports into the curriculum
- Offer specific activities for the less active children i.e. non-competitive and fitness style sessions
- Introduce new and 'non-traditional' extra-curricular clubs
- Train year 5/6 pupils as 'Young Leaders' who can run lunchtime / after school activities
- Arrange off-site visits to sports facilities, clubs and activity centres

Key indicator 5: Increased participation in competitive sport

- Seek additional opportunities available through County Sports and School Sports Partnerships and PE Associations
- Celebrate achievements in assemblies and classes
- Pay for hire of transport and staff to take children to competitions
- Arrange friendly and intra-school competitions to allow more children to take part
- Invest in staff training or employ coaches to work with children to raise standards in sport in preparation for competition

SUSTAINABILITY

It is essential that anything you spend money on, becomes sustainable in the long-term and will benefit future pupils for years to come. Some examples are below:

- Upskilling teachers with 'skills for life'
- Recruit new staff with PE or specific activity-based qualifications
- Ensure you have a mix of clubs – teacher led, coach led, or club led
- Develop links with local clubs and networks so children can continue to take part in sport or activities
- Introduce initiatives that don't require ongoing funding i.e. Active Mile
- Integrate physical activity across the curriculum so it becomes part of other subjects

For further information and support email: rik@wiltssport.org

The Impact of Sport Premium Funding on Pupils' Lifestyles and Physical Wellbeing
