PLT Meeting – Friday 20th September

We gave a big welcome to the new PLTs and started the meeting with a reflection of the 2018-2019 year and we watched the Chippenham Games highlights, it was clear to see the energy and enthusiasm from everyone involved in such a fantastic event.

The Chippenham Games highlights 2019 can be found here:

<http://www.chippenham.gov.uk/chippenham-games-at-stanley-park>

The Chippenham Sports Partnership 2019-2020 year at a glance was explained and all the new events were discussed.

New events for this year:

- Reception Hand Eye Coordination
- Footie for fun YR1/2/3 girls only
- Olympic Games

Guest Speakers included:

Rik Grover - Primary Sport Premium and Active Lives Survey Lead Project Officer

Rik reported on the Primary PE and Sports Premium Phase 7 mapping summary. Review of school websites for phase 7. Rik highlighted what went well for 2018-2019 and areas for improvement for 2019-2020. Also highlighted the reporting procedures for 2019-2020. **For further information please see appendix A or contact Rik**

Grover: Rik Grover Wiltshire & Swindon Sport Primary Sport Premium and Active Lives Survey Lead Project Officer rik@wiltssport.org

Chris Smith YST Wiltshire Development Manager.

Chris explained his role and what how he can support the development of PE in Primary Schools his role is to:

- Engage with the networks across the county
- Partner across education, sport and local authority
- Support development of PE, School Sport and Physical Activity locally Chris also explained the following initiatives:

- Teach Active
- Mr Personal Best Primary
- YST Quality Mark

For more information see appendix B: or contact Chris at: youthsporttrust.org or chris.smith@youthsporttrust.org

CPD Dance Training

Friday 20th September

They say a picture paints a thousand words, well these photos sum up the fun that was had during the Xpression Dance CPD run by Diane Prior, the theme for this year's Dance Festival is the Olympics, all those involved were put through their paces to perform a high energy Olympic themed dance routine. Everyone finished the session with a smile on their faces and a bank of ideas and funky moves to take back to their schools. The next morning we had a few comments from people saying they felt muscles they didn't know they had!

CPD Dance with Diane Prior **Xpression StreetDance 07585 125 570** Di@xdance.co.uk
Xpression StreetDance - "Energy Flows Where Focus Goes"
 You can speak to someone between 9am & 3pm Monday to Friday

- Looked at the history of street dance

- The group looked at how to link dance moves together
- Worked on start and finishes
- Lots of questions answered and direction given.

Young Officials Training Friday 4th October

The Young Officials training course is always well attended and offers those pupils showing leadership potential the chance to learn about the role of an official in either netball or football.

It was great to see so much enthusiasm for what is for most of them, their first experience of taking on an officiating role. Everyone taking part received a t-shirt and whistle and had a go at using their knowledge and understanding to officiate. Well done to all the Young Officials as those leading the courses commented on how polite and hardworking you all were! Well done.

Many of those involved in this course will go on to officiate further in their education either within their school setting or at the many festivals which take place during the year. We are looking forward to the Summer Young Officials Course on Friday 12th June where pupils will have the opportunity to take part in Short Golf Training or Quad Kids.

Young Ambassadors Training **Wednesday 2nd October**

22 children were selected from the local Primary schools to receive Bronze Ambassador training at the Neeld in Chippenham. The Bronze Award is in line with Youth Sport Trust and allows the children to evidence their learning, progress and achievement in and through sport and physical activity, they have a workbook and homework they need to take back to their primary school. It also supports them to demonstrate the impact their involvement in sport has had on their personal development, including

leadership skills, health and wellbeing and wider life skills, that they then pass onto the children they

behaviours and empowers young leaders to take ownership of having more confidence in their own skills. work with back at primary The event was organised by Paul Wickens Mid Wilts School Games Organiser and supported by the Chippenham Sports Partnership running school. The Bronze Award aims to build positive lifestyle habits and the Leadership section.

Children had the opportunity to work on a number of different workshops including School Games Values, School Sports Organising Crew (setting up a sports council), Supporter 2 Reporter initiative and an introduction to the Change 4 Life Programme. The children and the Chippenham Sports Partnership were very lucky as the special guest for the

day was the inspirational Thinus Delpert – South African ex rugby union player. Thinus helped to support the workshops and spent the morning chatting to the children about his career in sport.

Mid Wilts PE Conference - Wednesday 2nd October

Mid Wilts SSP

The Mid Wilts PE Conference saw over 20 PE leads from across Mid Wilts arrive at The Neeld Theatre in Chippenham for their first conference of the year. Whilst their 2 young ambassadors were undergoing training run by the young leaders from Corsham School, the teachers met in the grand setting of the town hall upstairs.

There were 3 guest speakers;

Jo Colin from Active Devon presented the national picture on activity levels amongst young people and how best to increase them. Having previously worked for Sport England and Sport New Zealand, she presented a fascinating insight into the challenges that educators (and parents) face in encouraging young people to participate and how can they can benefit from increased physical, social and mental health.

Rob Belbin specialises in teaching PE disabled children and is the Director of Inspired Solutions which works at advising schools on how they can improve their offer. He encouraged us all to think about what we offer SEND and disengaged students in PE and crucially why.

Thinus Delpport is a former South African Rugby player who also played club rugby in Japan and for Gloucester and Worcester in the UK. He explained his Rugby journey and and how much Rugby, as a game, gave him. He now works for the Youth Sport Trust as a young athlete mentor

REAL Legacy – Friday 27th September and Friday 17th October

Monkton Park School hosted an Introduction to Real PE Course led by Sarah Moon. This was an opportunity for teachers from Wiltshire schools to gain CPD on what Create Development have to offer and to hear from current schools using the Real PE Programme. Schools within the Partnership continue to

have a close relationship with Real PE incorporating their fantastic resources and engaging and motivating pupils through progressive, high quality PE lessons.

What is Real PE?

Redefining what's possible for PE, Sport and physical activity through a new, positive and inclusive culture.

Our innovative training and resources support primary schools, families and communities to transform the culture of physical activity. Our unique, inclusive approaches create habits and develop essential behaviours, physical literacy, emotional and thinking skills in EVERY child.

Our values

Create's three central philosophies are:

- Creating clear, shared learning journeys
- Providing quality personalised opportunities
- Shifting responsibility towards the learner

Combining these philosophies with our company values of Simplicity, Excellence and Passion make us leaders in learning and whole-child development.

Real legacy is an ambitious two-year programme, personalised for your school to make a real difference and create a **real legacy** for EVERY child.

In addition to Create programmes, **real legacy** includes bespoke school-based support (total of 4 days), evidence of impact, enrichment opportunities, the very best innovative resources and is supported by **Jasmine** – your real learning platform

Multi Skills Yr 1 and 2 Friday 11th October

125 children from 4 schools took part in the Multi Skills event, supported by 22 Sports Ambassadors.

Multi-skills focus on the fundamentals of agility, balance and co-ordination and allows children to experiment with different types of movement and

explore sports in a new, fun way. Children take part in a carousel of activities

organised by Sports Leaders from the local secondary schools.

Year 1 and 2 Multi Skills – Friday 8th November

142 children from 6 schools took part in the Multi Skills event at the Dome in Chippenham. 24 Sports Leaders from the secondary schools were in charge of the 12 stations. The leaders are always excellent role models and really engage with the children to make sure they have fun. For many of the children, this is their first experience of a sporting event outside of school and an opportunity to meet and work alongside other children their own age. These events are always very busy and noisy but packed with energy!

Footie For Fun Year 2

Friday 15th November

Footie For Fun returned for the second year running as a result of it being such a big hit last year.

Over 240 children (which is 70 more than last year!) from 9 primary schools took part in the non-competitive football circuit, developing their passing, dribbling and shooting skills as well as putting their speed and agility to the test. Although it was a cold morning the year 2 children didn't let this slow them down or stop them having fun. A huge thank you to all the 25 Sports Ambassadors who did a great job leading the footie stations, their enthusiasm and bubbly personalities ensured that all 240 children had a fantastic morning. Well done to everyone involved and THANKS again to Paul Harvey for allowing us to use the fantastic facilities at Stanley Park.

Level 2 School Games Football Friday 15th November

It was a chilly wet morning at Stanley Park on Friday 15th November for the L2 School Games, but the 17 teams taking part did not let the wet start effect their performance or energy levels. The football skills on display this year were the best we

have seen to date; the matches were very closely fought and the team spirit and sportsmanship on display were fantastic to watch. All the players, coaches and referees were briefed at the start of the Tournament on the standard of fairplay and respect that we expect and everyone played in the spirit that has become a tradition at this event. A BIG thank you to all the secondary Sports Ambassadors who took on the role of referees and linesman for the tournament, their professionalism meant that the tournament ran smoothly. All players can be very proud of themselves, they had fun, performed to their best and even the weather dried up for the presentations. A big thank you to Stanley Park and Paul Harvey and his team for allowing us to use the great facilities at Stanley Park. **Winners large schools - Derry Hill Runners up -**

RESULTS

Monkton Park

Winners Small schools St Mary's

Winners Girls Tournament Monkton **Runners up** Park Redland

Congratulations and good luck to all the above teams who have qualified for the Level 3 School Games on Tuesday 14th January at Stanley Park

NEW EVENT – Girls Footie For Fun **Monday 18th November**

It was a bright and fresh morning which was perfect for over 120 girls from 7 schools to take part in the first Girls Footie For Fun Festival at Abbeyfield School. The girls were split into 10 groups and rotated around stations to work on their ball skills, agility, speed and co-ordination. All the girls and 20 Sports Ambassadors enjoyed working together, completing the challenges and supporting each other. Well done to the schools who did an extra warm-up back walking to the event.

New Age Kurling SEND Festival - Wed 20th November

Five schools took part in the New Age Kurling SEND Festival at Frogwell School. New Age Kurling is an adaption of the traditional game of curling but without the need for an ice rink! The game can be played on any smooth surface such as a sports hall or gym. Sports Ambassadors led four different activities giving all the children an opportunity to experience NAK, develop their skills and have lots of fun. Congratulations to St Peters who have qualified for the County Finals at Dauntseys School on 20th March. This is the first time we have competed at this event, we wish them all the best of luck.

New Age Kurling at St Nicks

Fri 22nd November

On Friday 22nd November St Nicks School took part in a NAK Festival. Two classes took part in the festival and they all enjoyed working with 20 Year 12 Sports Ambassadors, this allowed the students to work 1:1. They worked on their target skills and enjoyed the thrill of knocking each others stones off the mat. Lots of high fives and smiles were seen throughout the festival, the Sports Ambassadors are looking forward to visiting St Nicks again in term 3.

PHOTO

NEW

EVENT - Reception

Children Hand Eye Coordination Friday 29th November.

This was a new event aimed at giving the youngest children in the Sports Partnership an opportunity to get physically active and develop their hand eye coordination and fine motor skills in a non-competitive atmosphere. 117 Reception children were buzzing with energy and excitement especially after they took their first glance at the Sports Ambassadors wearing their Christmas jumpers and the special reindeer guest of honour. Lots of the activities they took part in they could do at home or back at school with minimum equipment. The Sports Ambassadors gave lots of encouragement and praise which helped to ensure all the children were able to enjoy the challenges and give it their best shot. The feedback from the children was easy to see, their smiles and giggles said it all! Well done to everyone involved in making this new event such a success, not sure about the reception children, but the Sports Ambassadors all slept very well that night!

Crunchy Crimbo Cross-Country Everyone gets excited as Christmas approaches, the Elves have been in training since September, often spotted running around the cross-country course early on Friday mornings or in the sports hall on stage practicing the aerobics Christmas warm-up. This is one of the highlights of the year for Father Christmas and his merry team, they get very excited

about the prospect of meeting all the primary school children from 15 of the schools in the Chippenham Sports Partnership.

At 10.45 everyone gathered in the Sports Hall dancing to Christmas songs as they waited patiently for the arrival of the special guests. The hall fell silent and the sound of bells could be heard in the distance...then with great applause came the 'Ho Ho Ho', Father Christmas got up on stage in the middle of the sports hall supported by his reindeer and the merry Elves, this was followed by everyone warming-up to 'I wish it could be Christmas everyday'. Once everyone was warmed-up the Elves led each school out to the fields to complete the cross-country course. Everyone was singing, smiling and having a jolly good time. At the finish everyone got to enjoy a delicious hot chocolate with some very yummy marshmallows whilst staff and volunteers nibbled on some tasty mince pies. Huge thanks to Santa and his team for fitting us into their busy schedule and to all the Elves for their energy, enthusiasm which ensured a fun time was had by all.

This year as always was another fantastic success – and the rain held off!. Thanks to the 3 Secondary schools for supplying 40 energetic elves and of course Father Christmas and his reindeer for fitting us into his busy schedule.

Without the support of our local businesses and their kind donations of hot chocolate, marshmallows and mince pies we couldn't run the event, therefore a HUGE THANK YOU: Tesco Express Pewsham, Marks and Spencer Food Chippenham and Sainsburys Chippenham for their kind donations.

Tesco

Express Pewsham for donating all the

Cadburys Hot Chocolate – it was delicious Marks and Spencer Food Chippenham for the yummy mince pies and Sainsburys for the voucher to buy marshmallows.

Appendix A

Key Findings – What went well in 2018/19

- 100% schools reported on their uses of the PE and School Sport Premium with 95% (15% increase on P6) showing a breakdown of the spending.
- 99% schools had a dated offer with 68% showing 2018 / 19
- 89% (16% increase on P6) schools demonstrated Impact on Participation.
- Since 2016, there has been a significant rise from 15% to 63% in schools using their funding to demonstrate impact on healthy, active school initiatives seeking to engage the least active.
- 74% (38% increase on P6) schools reported on the required swimming data
- 84% (4% increase on P6) schools stated that pupils are engaged in 30 minutes of activity a day

Active Lives Survey

Aim

- Schoolchildren (Schools) across England in state-funded maintained schools (inc academies) and some independent schools are asked to take part in the Active Lives Children and Young People survey. They are selected at random from each local authority.
- The aim is for children and young people to feel more motivated, confident and able to get active - which will also increase the likelihood of being active later in life.
- Compiled on behalf of the Department for Education, the Department for Health and the Department for Digital, Culture, Media and Sport, the survey runs on an annual basis.
- Each term, a number of schools are randomly selected to take part in the survey, with the aim of getting 100,000 children and young people in Years 1 to 11 to complete it each academic year.
- The survey covers measures of children's activity levels, physical literacy, swimming proficiency, wellbeing, self-efficacy and levels of social trust.

Active Lives Survey

- 100,000 children from 2000 schools in England are surveyed annually (300 per LA)
- Approximately 16 schools are selected in Wiltshire and Swindon each year
- Typically, a school will be invited to survey 3 classes, one teacher and parents from either year 1 or 2 pupils (Primary)
- WASP has consistently exceeded the national response rates (over 31%)
- **New - 2019 /20 : Healthy Schools Rating Scheme** - Schools can gain a rating based on the responses from the teacher section of the survey

91% schools are investing in competition. 57% (21% increase on P6) schools are using the recommended template **Key Findings – Areas to improve in 2019/20**

- 29% of school websites were 'inadequate' and failed to report basic information (Statutory requirement)
- 39% of schools did not report on the impact on sustainability • 83% (60% Nationally)

schools did not mention impact on attainment.

(<https://www.gov.uk/government/publications/the-link-between-pupil-health-and-wellbeingand-attainment>)

- Only 17% (A decrease of 43% from P6 - 65% Nationally) of schools reported funding being used to upskill staff with professional learning.

Schools must use the funding to make additional and sustainable improvements to the quality of Physical Education, Sport and Physical Activity (PESPA) they offer - (Use the 5 'Key Indicators')

- Schools must publish the amount of Primary PE and Sport Premium received
- A full breakdown of how it has been spent (or will be spent)
- What impact the school has seen on pupils' PE, physical activity and sport participation and attainment (with evidence) and how the improvements will be sustainable in the future.

The funding allocated to headteachers in primary schools is ringfenced and can only be spent on PE and sport in primary schools. The headteacher and governors are accountable for the spending of the funding.

Schools must also provide swimming data in relation to their year 5/6 cohort

Context

- Since 2016/17, the Active Lives Children and Young People Survey has provided a world-leading approach to gathering data on how children engage with sport and physical activity.
- It gives anyone working with children aged 5-16 key insight to help understand children's attitudes and behaviours around sport and physical activity.

Active Lives Survey

- 100,000 children from 2000 schools in England are surveyed annually (300 per LA)
- Approximately 16 schools are selected in Wiltshire and Swindon each year
- Typically, a school will be invited to survey 3 classes, one teacher and parents from either year 1 or 2 pupils (Primary)
- WASP has consistently exceeded the national response rates (over 31%)
- New - 2019/20 - Healthy Schools Rating Scheme - Schools can gain a rating based on the responses from the teacher section of the survey

Appendix B – Chris Smith Youth Sports Trust YST Objectives:

- Transforming physical education
- Removing barriers to sport
- Unlocking potential
- Empowering activism My role:
- Engage with the networks across the county
- Partner across education, sport and local authority
- Support development of PE, School Sport and Physical Activity locally

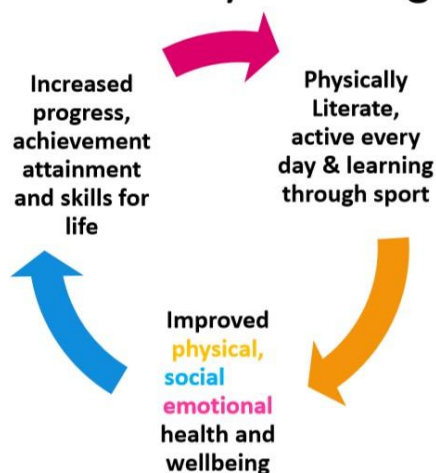

Why is what we do important?

What we already know...

- Active children are happier children
- Active children have more active brains
- PE and School Sport can teach children important life skill

Youth Sport Trust theory of change.....
