Year at a Glance

Chippenham Games 2016

The Chippenham Games is a two day Olympic legacy event which is sponsored by Wiltshire Council and Up and Under Sports. It is now the largest event in the Chippenham Schools sporting calendar involving over 500 Year 6 pupils, at least ten local sports coaches and more than 30 Young Leaders from all three secondary Schools.

The event is also supported by the three local Secondary Head teachers Mrs Lisa Percy (Hardenhuish), Mr Ian Tucker (Abbeyfield), and Mr Neil Spurdell (Sheldon), who give the children a rousing welcome on both days and some words of wisdom to remind them of the Olympic values. The

event is an important part of the transition process for all pupils involved as teams are based on which School they are moving in to. Young Leaders from the secondary schools do a brilliant job leading teams, supporting and encouraging the children throughout the day. The Games are always officially opened by a Sporting Hero and this year we were excited to welcome Lynne Hutchison, Commonwealth Games bronze medallist and former junior British champion. She was England's top ranked rhythmic gymnast in 2010 and helped make history at London 2012 as she and her teammates became the first rhythmic gymnastics team to represent Great Britain at an Olympic Games.

Schools attending this year's Chippenham Games:

By Brook Valley CofE Primary Academy, Charter Primary School, Derry Hill CofE Primary School, Frogwell Primary School, Ivy Lane Primary School, Kings Lodge Primary school, Kington St Michael CofE Primary, Lacock CofE Primary School, Langley Fitzurse CofE Primary School, Monkton Park

Community School, Queen's Crescent School, Redland Community School, St Mary's RC Primary School, St Paul's Primary School, St Nicholas CofE Primary School, St Peter's CofE Primary School, Stanton St Quintin Community Primary School, Sutton Benger CofE Aided Primary School, Supported by Abbeyfield School, Hardenhuish School and Sheldon School.

Para Games 2016

The fifth Chippenham Para-games took place on Monday 11th July. The Para-games is a legacy of the London 2012 Paralympics and involves all pupils from St Nicholas Special School in Chippenham as well as pupils with SEN from other local schools. The event kicked off with a full procession which was led by GB Judo player and Silver

Commonwealth medallist Tom Reed who carried the Olympic Torch. He gave an inspirational speech before declaring the Games open. Pupils took part in a range of activities such as Boccia, javelin, tri golf and relay racing. A fantastic morning was had by all with lots of smiles, clapping and tired competitors at the end. Well done to all involved and congratulations on another successful games.

Booking onto an Event/Festival

To reserve your place for **ANY** event please contact
Jessica Pierce - jep@abbeyfield.wilts.sch.uk you will
 receive confirmation to confirm event/festival information.

Multi Skills Festivals

Multi Skills focuses on the fundamentals of agility, balance and co-ordination allowing all students to participate in a range of fun games and activities alongside other children from other primary schools. It also allows the students to experiment with different types of movement and explore sports in a new fun way.

Agility	Balance	Co ordination
The ability to change direction of the body in an effective and efficient manner.	The ability to keep still when needed, not fall over. Be able to retain the centre of mass. The ability to maintain balance with movement.	The ability to control movement of the body in cooperation with the body's sensory functions.
i.e. Netball Football	i.e. Gymnastics Scoring goals	i.e. Catching a ball Throwing a ball

All children took part in a carousel of activities consisting of 12 different Multi Skills Stations, each lasting 9 minutes.

All Active Academy

This programme is designed to support pupils who are finding it hard to engage in PE and sport and hopes to encourage them to focus on how to live a healthy and active lifestyle. Pupils are invited to attend three different workshops where they participate in a number of new

activities. This year's events included...

Fencing - a fun, exciting sport which keeps both the body and brain active! In learning the skills of attacking and defending with either the Foil, Epee or Sabre, fencers develop good co-ordination, balance and flexibility which makes fencing training an ideal means of keeping fit for all ages and abilities

Squash - a sport which requires the coordination of eyes, feet, hands and racket to connect with the incoming ball as well as the ability to position the body in an appropriate position to return the ball in an efficient and effective

manner.

Dance - moving to music stimulates the senses – sight, sound and touch – its great fun and it's good for our bodies and minds. Dancing improves the condition of the heart and lungs, as well as developing balance. To dance for any length of time also requires muscular strength and endurance.

Towards the end of the year, all of the pupils have the opportunity to spend the day at Bath University to look at the facilities, meet sporting stars and take part in a range of activities and sessions.

Bath University Visit

Talent Team – All Active

Our “All Active Academy” and “Talent Team” participated in a carousel of workshops at Bath University. The day involved the students working and learning alongside some of Bath University’s up and coming athletes. The day focuses on:

The 5 abilities

Physical – the ability to perform and excel in a range of physical activities.

Social - the ability to lead others and show good teamwork.

Cognitive / Thinking – the ability to use tactical knowledge during activities.

Creative – the ability to respond to different tasks and adapt to increase chances of success.

Personal – the motivation towards PE and the ability to learn from success and failure.

It was a fun filled day with many new skills learnt. Congratulations to all those who took part.

Talent Team is a programme specifically designed to develop the skills, knowledge and understanding of pupils who are considered to be talented in PE and sports. It may be that they are talented in a particular sport or they may be strong across the board. The course involves a number of different workshops which focus on athlete development. Examples may include how to lead a warm-up and cool-down as well as the theory behind why they are so important; team

building activities and discussions; advanced agility skills and a focus on running technique.

All Active - The All Active Academy is specifically designed to support pupils who are difficult to engage in PE and Sport at School. Pupils are invited to attend two sessions which will involve a number of workshops and participating in two days of sport involving focus on basic coordination, agility and balance and often

involved an introduction of a new activity.

Booking onto an Event/Festival -To reserve your place for ANY event please contact Jessica Pierce - jep@abbeyfield.wilts.sch.uk you will receive confirmation to confirm event/festival information.

"Move It" DVD

Welcome to Chippenham Sports Partnership "MOVE IT!" (Short bursts of fun movement to songs we all love!)

"MOVE IT!" is a fun daily physical activity based around fundamental movements skills. It is an easy and exciting way to incorporate 5-10 minutes of energising movement into your school day. Schools can use "MOVE IT!" in the morning, after lunch or as a warm up during PE lessons

to increase daily activity, regardless of a child's age or physical ability. We hope you enjoy moving to it, as much as we enjoyed making it.

Special thanks must go to Roz Chandler from Glow and Alex Henry from Abbeyfield School. **If you would like a copy please contact one of your SSCOs.**

Songs: I'm a believer – The Monkeys
Shake it Off – Taylor Swift
Timber – Out by a Mile

Wake me up – Avici
Throw you hands up – DKLQ
Happy – Pharrell Williams

We go together – Grease
Set it off – Timomatic

Rumer Mill

We have been informed that the “Extra funding”
(Sugar Tax) due in 2017-2018 will be given on

“evidence of impact’ to Sports within your school

Ofsted Reminder

Inspectors should consider the impact of the primary school sport funding on pupils' lifestyles and physical wellbeing by taking account of the following factors:

The government is providing funding to maintained primary schools and academies that is specifically targeted at improving the provision of physical education (PE) and sport.

- ▶ the increase and success in competitive school sports
- ▶ Should not be used for PPA Cover
- ▶ the increase in participation rates in such activities as games, dance, gymnastics, swimming and athletics
- ▶ how much more inclusive the physical education curriculum has become

A copy of the newsletter could be placed on your website as evidence

Booking onto an Event/Festival - To reserve your place for ANY event please contact Jessica Pierce - jep@abbeyfield.wilts.sch.uk you will receive confirmation to confirm event/festival information.
