Happy New Year!

We would like to take this opportunity to wish you all a very Happy New Year. It was a very busy term but we really enjoyed working with you during the events that took place. It was particularly great to see a record number of children involved in the Crazy, Christmas Cross-Country. We are excited about the term ahead with plenty to look forward to including our second PLT meeting, four multi-skills festivals, the hockey, netball, TAG rugby and of course the Dance festivals all to prepare for! We will also be meeting the next group of children involved in the Talent Team and the All Active Academy.

CPD Dance

To kick start the year, PLTs were invited to attend a CPD Dance course, which was run by imovesdance. Staff were introduced to a range of ideas and resources suitable for different age groups with an easy to follow assessment framework. The feedback from the course was very positive and we are all looking forward to working with the company again as we approach the Dance festival.

PLT Meeting

The first PLT meeting of the year was held on Friday 23rd September. With plenty of bacon butties on offer, it was fantastic to see so many PLTs there and be able to welcome the new recruits. These meetings form an important part of the Partnership providing an opportunity for schools to meet potential coaches, discuss important issues and of course share ideas and resources. We were lucky enough to welcome a variety of speakers including Helen Ward and Geoff Mascall from Badminton England who ran through the new Racket Pack offer; Matt Lloyd from Real PE who ran a refresher session and outlined new resources available; Caroline Steele from Diddi and Creative Dance; Kevin Whitehorn from Aim on the Plain - an introduction to archery; and Mike Rose from Shine - a fun, free, family lifestyle programme for 7-11 year olds.

School Games Level 2 Football Festival

The first festival of the year took place on Wednesday 9th November at Stanley Park Sports Ground. This year the event was supported by Pulse Academy who also provided the officials. The quality of skills displayed by the children was exceptionally high and the matches were played in good sporting spirit. After some hard fought matches, St Peters and Monkton Park Primary School secured a place in the qualifying round for the Level 3 School Games Competition, winning and coming runner up in the mixed group. Ivy Lane won a place in the Girls competition and Frogwell will go onto qualify for the Small Schools Competition. We would like to wish them all the best of luck for this event which will take place on Wednesday 11th January 2017 at Stanley Park, Chippenhams from 12:00-15:00.

Multi Skills Festivals

There have been two Multi Skills festivals this year which have been well attended by local schools with both involving over 100 students. Multi skills focus on the fundamentals of agility, balance and co-ordination and allow children to experiment with different types of movement and explore sports in a new, fun way. All children took part in a carousel of activities consisting of 12 different Multi Skills Stations. These stations were

organised by Sports Leaders from the local secondary schools. All the leaders were excellent role models and really engaged with the children to make sure they had fun and made progress.

Agility	Balance	Co ordination
The ability to change direction of the body in an effective and efficient manner.	The ability to keep still when needed, not fall over. Be able to retain the centre of mass. The ability to maintain balance with movement.	The ability to control movement of the body in cooperation with the body's sensory functions.
i.e. Netball Football	i.e. Gymnastics Scoring goals	i.e. Catching a ball Throwing a ball

Young Officials Course

The Young Officials Course is always well attended and offers pupils the chance to learn about the role of an official. This year, all the pupils took part in netball and football with some opting to take part in a Young Leaders option. It was great to see so much enthusiasm for what is,

for most of them, their first experience of taking on a role other than participant. Everyone taking part received a t-shirt and whistle and had a go at using their knowledge and understanding to officiate. So many of those involved in this course go on to officiate further up in their education at the many festivals on offer.

Crazy Christmas Cross-Country

Christmas festivities would not be the same without the sight of hundreds of tinsel clad children braving the freezing weather conditions to take part in the annual cross-country event. This has become one of the largest events in the calendar and one of the most enjoyable to watch. Before setting off, everyone involved took part in a warm-up led by Roz Chandler from Glow, alongside the star of the show – Father Christmas! One by one, the children (and staff) then set off to tackle the course. The determination shown during this event was fantastic and almost everyone finished with a huge grin on their face! To celebrate their achievement, all involved were rewarded with a hot chocolate with the works. Special thanks to all the local sponsors who donated the refreshments. Tesco Express in Pewsham donated thirty packs of drinking chocolate, Morrisons of Chippenham donated six packs, Sainsbury of Chippenham donated three packs and Iceland of Chippenham donated three tubs.

Fortius Regional PE Conference

On Friday 25th November, many PLTs and the SSCos attended the annual Fortius Regional PE Conference at the Four Pillars Hotel in South Cerney. As ever, the variety of seminars on offer was fantastic and everyone was able to take something away with them to help promote PE and Sport. Some familiar faces were amongst the guest speakers!

The Chippenham Sports Partnership Dance Festival "Movie Night"

We are excited to announce that in February the Chippenham Sports Partnership will be running our first ever Dance Festival. All those involved will have been rehearsing for weeks to prepare for this show, which will feature many class-sized groups aged from 6 – 11 as well as some

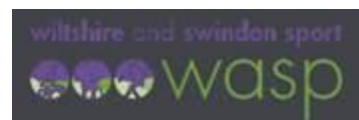

performances from the secondary schools which will no doubt inspire the next generation of dancers. Special thanks must go to Wiltshire and Swindon Sport (WASP) who have supported this year's Dance Festival and have kindly contributed to a dance specialist to support the CPD and the evening events.

Also a Special Mention to Caroline "The Dance Lady" from imoves Dance who has run the CPD Dance Workshop and worked

alongside the SSCOs to help make the first ever Chippenham Partnership of School Sports, Dance Festival a reality.

Stephanie Millward MBE is our Chippenhams Games 2017 Paralympian!

At the age of 17, Stephanie Millward, now 35, was told she would lose control of her body and would be confined to a wheelchair after being diagnosed with multiple sclerosis. Since then she has defied all the odds to become one of Team GB's most experienced Paralympian swimmers and an inspiration to all ages.

Stephanie took to the podium five times during the London 2012 Paralympic Games to claim one bronze and four silver medals. In Rio 2016, her

superb performances won her another five Paralympic Gold medals: two Gold, one Silver and two bronze. Corsham's golden girl finished off her amazing year in style after being recognised with an MBE in the New Year's Honours List for services to swimming. We are so honoured to be able to welcome Stephanie to the Chippenhams Games this year and look forward to meeting her and showing off this fantastic event.
