Welcome back!

A very warm welcome to you all. We hope you enjoyed a restful summer and have returned refreshed and ready for the year ahead. You may have noticed that we are starting the year under a new name of the Chippenham Sports Partnership. We have updated the logo and will be happy to issue all PLTs with a new t-shirt in recognition of all the support you give during the year.

We would like to take this opportunity to welcome all new PLTs and hope that you enjoy your new role and working with us in the Partnership. If we can be of any help as you settle into the role, please do not hesitate to get in touch. Unfortunately, we also said goodbye to five of our PLTs last term, including Sian Northern-Evans who has been a PLT for twelve years. Thank you all for your effort and support and to all those who continue to support us during the year.

Last term was our busiest term! We held seven festivals, a PLT meeting, Young Official training, a trip to Bath University for the All Active Academy and the Talent Team as well as the eagerly awaited sixth Chippenham and Para Games. To see so many young people involved in such a variety of activities throughout the year; enjoying themselves, being active and making friends; makes us so proud to be part of such a vibrant and well supported Sports Partnership.

We finished last term with the news that the Sport Premium funding was going to be doubled. This is fantastic and will make a huge impact on the quality of PE and sport that schools can offer. More information will be outlined below and will be released in October, but we are positive that the schools within our Chippenham Sports Partnership will make full use of this funding to enrich their pupils' physical education.

Looking forward to this term, there are a couple of additional events taking place. The first is a Mild Mudder event which will be action-packed and full of challenges but great fun for the children. We are also pleased to be supporting the PLT and Young Ambassador Conference at The Civic Centre in Trowbridge which will link us with another local Sports Partnership and will give us a chance to chat to colleagues and share resources on a larger scale.

As always, we are excited about the year ahead and look forward to working with many of you throughout the year.

Selina, Jess and Helen

Primary PE and Sport Premium Funding.

At the start of the year, it is always useful to remind ourselves of the guidelines issued regarding how the Sport Premium funding should be spent, particularly for the new PLTs joining us this year.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years

For example, you can use your funding to:

- hire qualified sports coaches to work with teachers
- provide existing staff with training or resources to help them teach PE and sport more effectively
- introduce new sports or activities and encourage more pupils to take up sport
- support and involve the least active children by running or extending school sports clubs, holiday clubs and Change4Life clubs
- run sport competitions
- increase pupils' participation in the School Games
- run sports activities with other schools

You should not use your funding to:

- employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements - these should come out of your core staffing budgets
- teach the minimum requirements of the national curriculum - including those specified for swimming (or, in the case of academies and free schools, to teach your existing PE curriculum)

At the end of last term it was announced by the Department for Education that the Primary PE and Sport Premium Funding would double from September 2017.

The DfE will publish the school level breakdown of funding for the academic year 2017 to 2018, including conditions of grant, in October 2017.

The high level changes are that from September 2017:

- Schools with 16 or fewer eligible pupils receive £1000 per pupil; and
- Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil

This is a straight doubling of the current formula and comes from the funding previously pledged for the Healthy Pupils Capital Fund. It will mean that all schools will be able to deliver further improvements to their PE and Sport provision. The mechanism for payment will remain the same, with schools receiving 7/12ths of funding in Oct/Nov and the remaining 5/12ths in April/May. Rik Grover will be speaking to us at the next PLT meeting when he will have more details to share with us.

Congratulations

Congratulations to all those who took part in the Level 2 School Games festivals last term but particularly those who qualified for the Level 3 competition in Marlborough. St Peters in Kwik Cricket; Queens Crescent in the swimming and St Mary's in the orienteering and the Quad Kids. Well done to all the pupils from Redland Primary School who featured in the Opening Ceremony of the Level 3 School Games performing their Lion King dance from the Dance festival. You were fantastic and made us very proud. Many thanks to Paul Wickens, Ken Stimson, Valerie Light, Matthew Pearson, Terry Bathe and the Innovate team and all the Sport Ambassadors from the three secondary schools. Without their support, the festivals would not be able to run.

The All Active Academy

The All Active Academy is specifically designed to support pupils who are difficult to engage in PE and Sport at School. Pupils are invited to attend two sessions, which involve a number of workshops.

The first event was held on Friday 3rd February with fifty-seven children involved. The second event took place on Friday 4th May. During the first session, children had the opportunity to take part in archery, squash and smoothie making. During their second session, they had another opportunity to develop their squash skills and also took part in athletics and multi-skills. It was great to see how the confidence of those involved developed during these sessions and to see children making new friends whilst being active.

PLT Meeting

The third PLT meeting of the year was held on Friday 27th April and it was great to see so many PLTs there. We were pleased to be able to welcome a range of outside companies who could potentially offer your schools something new including cycling and yoga. It was also a chance to plan for the term ahead and make sure schools were ready for the events to come. Thanks to Paul Wickens, Viv Morley and Marc Malloy for supporting the meeting and a special thank you to Viv for leading us through some yoga!

For all the super fans of Real PE, we now have our very own Create Learning School within the Partnership. Monkton Park Primary School is the first Create Learning School in the South West and is now officially a hub for training and networking for regional schools. This is a great achievement and a credit to Jan Douglas and all the other schools within the Chippenham Sport Partnership for their ongoing support of the Create values and resources. The majority of all schools in the Partnership now have Real PE embedded with Real Gym and Family Funs generating more interest every year.

This term, there are two opportunities to attend training starting with an introduction to Real PE at Monkton Park School on Wednesday 4th October from 1:30pm-5:00pm. Following on from that, there is also an opportunity to attend a Real Gym training course at Cherhill Primary School on Thursday 12th October. If you would like to book on to either of these courses, please contact Jess.

Booking onto an Event/Festival

To reserve your place for ANY event please contact Jessica Pierce - jep@abbeyfield.wilts.sch.uk who will send event/festival confirmation and information.

Primary Badminton After School Club

Aero Badminton are a long standing and well-established local club with members of all abilities. Coaches frequently support local schools to develop badminton and competitions. Aero are now pleased to be able to offer primary pupils the chance to attend an after-school badminton club on a **Thursday evening from 4:30pm – 5:30pm at Hardenhuish School. This club is FREE!** Children can just turn up. Please spread the word and help us to develop badminton from the grassroots up.

Family Badminton Saturday Club

Aero Badminton are now running a family club on a Saturday from 10:00am – 12:00 noon at Chippenham Air Dome. There is a cost of £3.00 per head. Racquets and coaches supplied. Everyone welcome.

Please contact us or get in touch with Geoff Mascall - mascall188@btinternet.com Mob. 07703203898

Young Officials Course

The Young Officials Course is always well attended and offers pupils the chance to learn about the role of an official. Earlier in the year, all the pupils took part in netball and football with some opting to take part in a Young Leaders option. The pupils grow in confidence as the course goes on. The hope is that once they return to school, they use their new skills to support staff officiate small-sided games on even inter-class competitions. Many thanks to Pulse Academy who are based at Stanley Park Sports Ground for supporting the football course.

Summer Young Officials

On Friday 8th June, pupils had the chance to take part in either rounders or tri-golf officiating. Those involved then had the opportunity to put their skills straight in to use by officiating at the tri golf and rounders festival. It was great to see so much enthusiasm for what is, for most of them, their first experience of taking on a role other than participant. Everyone taking part received a t-shirt and whistle and had a go at using their knowledge and understanding to officiate. So many of those involved in this course go on to officiate further up in their education at the many festivals on offer. Many thanks to Claire Burrows from Chippenhams Golf Club for her support with this event.

The Chippenham Games 2017

The Chippenham Games is a two-day Olympic legacy event which is sponsored by Wiltshire Council and Up and Under Sports. It takes place at Stanley Park Sports Ground. It is now the largest event in the Chippenham Schools sporting calendar involving over 500 Year 6 pupils, at least ten local sports coaches and more than 30 Young Leaders from all three secondary Schools. The Mayor of Chippenham and Baroness Jane Scott, the Leader of Wiltshire County Council also kindly attend to offer their thanks to all involved at the end of both days.

The event is also supported by the three local Secondary Head teachers Mrs Lisa Percy (Hardenhuish), Mr Ian Tucker (Abbeyfield), and Mr Neil Spurdell (Sheldon), who give the children a rousing welcome on both days and some words of wisdom to remind them of the Olympic values. The event is an important part of the transition process for all pupils involved as teams are organised by which School they are moving in to. Young Leaders from the secondary schools do a brilliant job leading teams and supporting and encouraging the children throughout the day. The Games are always officially opened by a Sporting Hero and this year we were over the moon to welcome Stephanie Milward MBE. Stephanie is one of the most experienced and successful para-swimmers on the GB team. She won five medals during London 2012 Paralympic Games and fulfilled her childhood dream to win a gold medal in the S8 100m backstroke at the 2016 Paralympic Games in Rio. She is an absolute inspiration to all who meet her and we are still feeling rather star struck nearly three months on!

Para Games 2017

The sixth Chippenham Para-games took place on Monday 3rd July. The Para-games is a legacy of the London 2012 Paralympics and involves all pupils from St Nicholas Special School in Chippenham. The event kicked off with a full procession which was led by Stephanie Milward MBE who carried the Olympic Torch. She gave an inspirational speech before declaring the Games open. We were also pleased to welcome the Mayor of Chippenham. Pupils took part in a range of activities including dance, javelin, tri golf and of course the relay. Sport Ambassadors from the local secondary schools supported the event as well as a host of parents. A fantastic morning was had by all. Well done to all involved and congratulations on another successful Games.

A day out at Bath University

On Friday 30th June, all the children involved in the Talent Team and All Active Academy programmes enjoyed a day out at Bath University. During the day, the children took part in different activities. Those involved in Talent Team had a go at trampolining, volleyball and ball handling skills as well as a question and answer session with Stephanie Milward MBE. Those involved in the All Active Academy programme took part in team building, trampolining and an agility, balance and coordination session. They also had the chance to meet Stephanie and ask her questions. This trip is always a highlight in the year. The children are often impressed by the facilities and all the super fit athletes walking around! It was also fantastic that they were able to meet Stephanie Milward again and spend more time getting to know her after first meeting her at the Chippenham Games.

The MAY MILE™

The Chippenham Sports Partnership were once again pleased to support the May Mile which took place on 12th May. This event is growing in numbers every year and is the brain child of local running enthusiast Zoe Rucker. She is passionate about getting more youngsters running and providing them with opportunities to experience the thrill of taking part in an organised off road, fully marshalled event. Young Ambassadors from the local secondary schools are on hand to warm up the crowds and offer words of encouragement as children run the course. This event continues to inspire hundreds of young runners every year, many of whom are from our local schools. Thanks to Zoe and her team for all the effort that goes in to organising the May Mile and providing our young children with such a rewarding experience.
