

Wiltshire Police: Youth and Early Intervention Offer

Hello

Thank you for taking the time to read our offer, which tells you about what we can provide for schools across Wiltshire and Swindon and where to go to if you have any questions.

School inputs are mostly delivered by your local PCSO or occasionally by a member of the Youth and Early Intervention Team. To request a session please either contact your local PCSO if you have their details, or contact us using the relevant email address below:

Youth@wiltshire.police.uk

Youthswindon@wiltshire.police.uk

To access our programmes, it is important that you read, sign and provide the school's single point of contact (SPOC) details on the service level agreement. This outlines the expectations that we should have from each other in a professional working relationship.

Swindon and Wiltshire Intervention for Families to Thrive (SWIFT)

This is a consent-based programme run within Wiltshire Police which aims to reduce children coming to police notice and to prevent them becoming part of the criminal justice system. For more details, please contact us by email.

People Who Help Us/Keeping Safe – Key Stage 1, ages 4-5

This session will introduce the little ones to the police and allow them to have a look inside of a police vehicle!

Personal and Online Safety – Key Stage 2, ages 9-10

The online and outside world is moving incredibly fast and before children leave for secondary school, we need them to learn how to keep safe, both online and when they are out and about.

Sexting and Healthy Relationships - Key Stage 3 (KS3) - Ages 12-13

What is Sexting and what does a healthy relationship look like? We will talk about what the norm is for children their age rather than what they might think it is...

Keeping Safe - Exploitation and Vulnerability - Key Stage 3/4 (KS3/4) - Ages 12+

What is exploitation? What does it look like? Who can I talk to if I have concerns for a friend? These are frequent questions that we are asked and what better way than answering those questions with an interactive input from the police.

Finally...

Thank you very much for taking the time to read this document and we do hope to be visiting your schools soon.

Primary schools please remember that we will continue to deliver our Junior Good Citizen event in both Swindon and County in the summer term. This event is very popular with limited places, and over the past couple of years applications have increased. So, if you would like your school to take part, please ensure you get those applications back to us as soon as possible.

Kinds regards,
