

Swimming is a right, not a privilege

We're on a mission to make every child feel confident
in the water. No barriers. No compromises.
Just quality, safe and convenient swim education.

Swim:ED

Making waves in primary education

Delivered by

www.swim-ed.co.uk

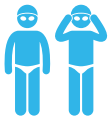

Why Choose Swim:ED?

Purpose-built on-site swimming provision

National curriculum aligned swim education

Personalised progress tracking for every child

To date

Swim:ED more than doubled the number of children able to swim 25m competently, confidently, and proficiently.

Proficiency in swimming a range of strokes dramatically increased from just 14% to over 76%.

The percentage of children able to swim 25m soared from less than a quarter (14%) to over half (61%).

89% now possess critical safe self-rescue skills following participation in Swim:ED.

Swimming progress and attainment have improved at an incredible rate during the 6 weeks that the pop-up pool was on site. Our pupils have all developed their resilience and perseverance as well as their swimming skills for life.

Bonar Caswell

PE Lead
Willows County Primary School

We can't praise the Swim:ED team enough! The whole process was so positive. From the planning to the actual swimming, everything was so professionally done. As a result, the number of children that can swim 25m has more than doubled what it has ever been in my 13 years at the school.

Ian Griffiths

Deputy Head,
Timberley Primary Academy
