## Guide to Events

Dear PLT,

We hope you find the following information useful.

We are pleased to offer a range of events, catering to different target groups and hope this helps with your planning.

To book an event please go to 'PLT Login' on [www.chipsportpart.co.uk](http://www.chipsportpart.co.uk) and enter your log in details. This will take you to the booking page where you can get tickets for as many events as you like. If you have staff within your school who wish to have access to this page then they can register as a new user (please use school email address) and let us know so we can activate.

The website also has handy checklists for each event to help staff prepare as well as events specific risk assessments (this do not include the risk assessment for your transport / journey). These can be found under PLT resources.

After each event a write up will be produced and put under 'latest news' on the website. These can be used or adapted by schools in your own newsletters to save you time.

If you feel you need any further information then please get in touch and we will do what we can to support!

Many thanks,

Selina, Jess and Emma
